

RAVEN RP75 Brush strip seals

RP75

(H)

A nylon brush seal with a self adhesive aluminium carrier. Mounted to the inside or outside door head and bottom face, RP75 provides a very neat sealing solution with the advantage of final on site installation which overcomes unforeseen floor or sill variation.

Location Door bottoms, single, double or sliding and double acting.

Min/Max Gap Up to 19mm (user determined).

Seal Sizes 1000 or 2250 stock lengths.

Used in conjunction Raven threshold plates.
