

## RAVEN RP94Si Door frame or Perimeter seal

RP94Si

(M)

A weather, smoke and acoustic seal, suitable for rebated frames. RP94Si is quick and easy to install, either mitred or butt jointed to the head and jambs without removing the door. Slotted for installation adjustment, the soft silicon bulb accommodates a tighter seal and with a tamper proof cover strip, provides a fit and forget feature.

Location Head and jambs of single or double butt hinged doors.

Min/Max Gap 0mm/ 6mm.

Seal Sizes single or double doorsets.

Standard Finish Cover strip only. Anodised satin clear.

Used in conjunction Raven door bottom seals, astragal and threshold plates.

Note: The tamper proof aluminium coverstrip is not recommended for removal once installed, refer RP78Si for this feature.
