

GLASS Door clamps

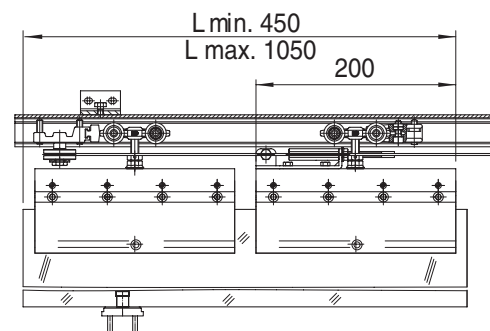

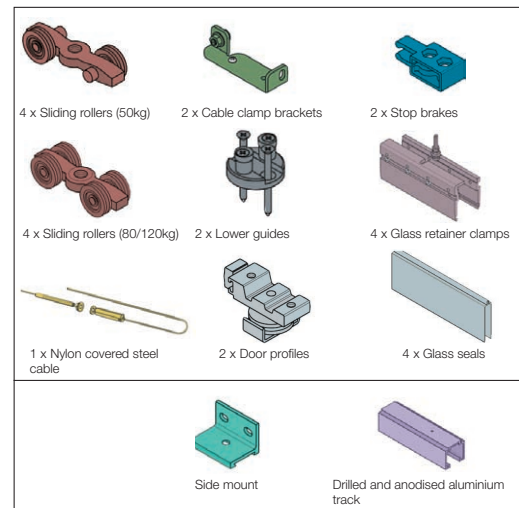

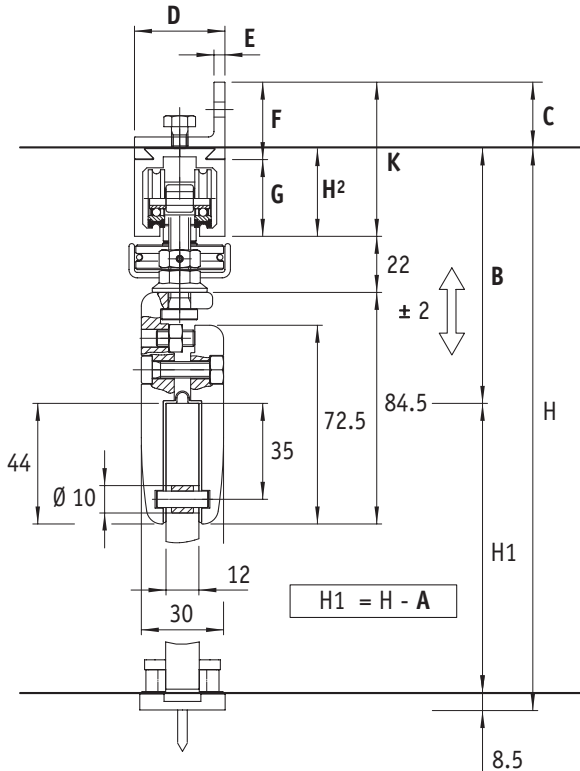

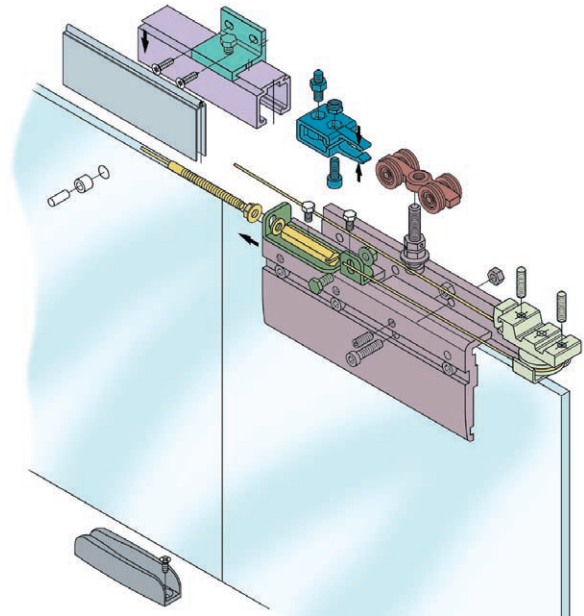

K1750 (up to 50, 80 or 120kg)

- For two glass doors with simultaneous opening and closing (synchronised)
- Suitable for glass panels 8–12mm thick
- Available with optional side-mounting (face fix) brackets
- Increased wear resistance and durability
- **Die cast alloy roller body.** Delrin covered wheels and ball race bearing
- Upper sliding movement, leaving the lower section free
- Adjustment: **the stop brake is adjustable** according to the door's weight

Please specify part K1750/50 for doors up to 50kg.
 Please specify part K1750/80 for doors up to 80kg.
 Please specify part K1750/120 for doors up to 120kg.

2m lengths of track are stocked as standard
 (3m for 120kg kit). Other lengths available upon request.

For side-mounting (face fixing) please request brackets to suit
 (1 per 40cm track).
